**MOVEMENT FOR  
BETTER HEALTH****National Business League  
Starts Big Campaign.**Tuskegee Institute, Ala.—After con-  
sidering the whole matter carefully I  
am authorized by the executive  
committee of the National Negro Business  
League to invite the various organiza-  
tions named below as well as others  
to be named later to unite with the  
League in observing a national health  
week from March 21 to 27, inclusive—  
namely: Daily and weekly newspapers,  
health journals, the National Medical  
association, the National Association  
of Graduate Nurses, the National As-  
sociation of Colored Women's clubs,  
the National League on Urban Con-  
ditions Among Negroes, the National As-  
sociation of Teachers in Colored  
Schools, the National Negro Press as-  
sociation, the bishop and other officers  
of colored religious denominations,  
state medical associations, annual  
church conferences and associations,  
secret society organizations, colored in-  
surance companies, farmers' con-  
ferences, farmers' improvement societies,  
churches, schools and other local or-  
ganizations and state health officers.In Alabama, Louisiana, North Caro-  
lina and other states special health  
days have at one time or another been  
observed. For some years the Virginia  
Organization society, under the lead-  
ership of Major R. R. Moton, has ob-  
served a health or clean up week. It  
is thought to be well to unite all these  
efforts into a national movement and  
join the movement on to the Virginia  
effort. It is thought the race will wel-  
come this opportunity to unite all these  
efforts in one great national health  
movement and thus gain the benefit of  
the momentum and the enthusiasm  
that will come from the great united  
health movement.Without health and until we reduce  
our high death rate it will be impos-  
sible for us to have permanent suc-  
cess in business, in property getting, in ac-  
quiring education or to show other evi-  
dences of progress. Without health  
and long life all else fails.The following facts will illustrate  
something of the need and importance  
of this health movement:We find that 450,000 Negroes in the  
south alone are seriously ill all the  
time. The annual cost of the sickness  
of these 450,000 persons is \$75,000,000.  
One hundred and twelve thousand Ne-  
gro workers in the south alone are sick  
all the time. Their annual loss in  
earnings is \$45,000,000. Forty-five per  
cent of the annual deaths among Ne-  
groes is preventable. Two hundred  
and twenty-five thousand Negro work-  
ers in the south alone die annually.  
One hundred thousand of these deaths  
can be prevented.The annual funeral expenses of col-  
ored people in the south alone amount  
to \$50,000,000. Six million five hun-  
dred thousand dollars of this amount  
could be saved. Sickness and death  
cost our race in the south alone \$100,  
000 annually. Fifty thousand dollars  
of this amount could be saved. We  
must reduce our high death rate, de-  
throned disease and enthrone health  
and long life. We may differ on other  
subjects, but there is no room for dif-  
ference here. Let us make a strong,  
long, united pull together. Other facts  
will appear in the weekly press and in  
circulars from week to week, and in-  
formation will be gladly furnished.Yours truly,

**TO HAVE BEAUTIFUL****HAIR—NO DANDRUFF**

Use Persian Cream, the New Hair

Dressing—Read These Facts:

First—It is the greatest Hair Pom-

ade in the world, and the only Pomade

of its kind on the market.

Second—That it straightens kinky

hair without hot irons, and does the

work in ten minutes; that it prevents

falling hair as soon as it is applied to

the hair, and that it contains wax, and

that wax treats the hair the same as

it would a thread, making it tough,

and it refuses to come out or break

off, and that it makes the hair soft,

brilliant and beautiful.

Third—Be careful about getting the

Pomade on the face, as it will promote

the growth of hair anywhere.

Fourth—That it grows more hair in

shorter time because it stops it from

coming out and at the same time

makes it grow.

Fifth—That it can be used with hot

irons if desired and that it will not

require another straightening in six

weeks with Hot Irons.

Sixth—That it makes the hair water-

proof, therefore the hair is not af-  
fected by damp days, as is the case  
with all other so-called Pomades.Seventh—That Persian Cream con-  
tains no vaseline or petroleum jelly,  
and is guaranteed by the Rankin  
Manufacturing Company under the  
Pure Food and Drugs Act of Congress.Persian Cream acts instantly—one  
application stops the head from it-  
ching and freshens up the hair. You  
will be surprised and delighted with  
this helpful toilet necessity, for not-  
ing else is so good for the hair and  
scalp, and nothing so quickly beau-  
tifies the hair, giving it that enviable  
charm and fascination. Persian Cream  
is one of the quickest acting hair  
growers known—inexpensive and  
easily used at home. Price 50 cents.THE RANKIN MFG. CO.,

From Nervous Breakdown

Impoverished nerves destroy many

people before their time. Often be-  
fore a sufferer realizes what the  
trouble is, he is on the verge of a  
complete nervous breakdown. It  
is of the utmost importance to keep  
your nervous system in good con-  
dition, as the nerves are the source  
of all bodily power. Mrs. Rosa

years. Have tried many of the best

I went into convulsions. My little

## SUNDAY SCHOOL.

Lesson VI.—First Quarter, For Feb. 7, 1915.

We have just one lesson in this beautiful story of Ruth, but we will seek to gather many things from the whole story. The first and last names in the book, Bethlehem and David, are two of the most suggestive in the Bible. No man's name is mentioned so often as David, and his is the first and last name of a more man in the New Testament. Bethlehem, besides all the other interesting facts connected with it, will always be of special interest as the birthplace of the firstborn son of Mary, Jesus Christ our Lord. Ruth is one of the four women mentioned in Matt. 1 among the ancestors of the son of David. Some one has said that the four chapters of this book might be entitled Ruth deciding—gleaning—resting—rewarded.

The devotion of Ruth is an example of the devotion to Jesus Christ, which is expected of all believers. Her patient gleaning in the field of Boaz has in it an example of the patience and faithfulness which should be seen in every Christian. Her quiet expectation of some great result at the suggestion of her mother-in-law makes us think of the assurance that the meek shall inherit the earth. When we see her as the wife of Boaz, the owner of the field in which she had so patiently gleaned, we cannot but think of the time when the church, the body of Christ, the company of all the faithful gleaners of this present age, shall become the bride of our mighty man of wealth, the owner of the field, which is the world, and then we shall inherit all things with Him and reign with Him on the earth (Rev. xxi, 7, 10).

That Naomi and her husband and sons should leave Bethlehem because of a famine and go to sojourn in Moab seems like the misstep which Abram made when he left Canaan because of a famine and went down to Egypt, for he only got into trouble there, and we read of no altar unto the Lord until he returned again to Bethel (Gen. xli, 10; xlii, 1-4). Poor Naomi found trouble enough in Moab in the loss of her husband and two sons, but she seems to acknowledge that the going to Moab was her affair, while it was her gracious Lord who brought her back to Bethlehem. "I went out full and the Lord hath brought me home again empty" (chapter i, 21). She turned her steps homeward because she heard that the Lord had given bread to Bethlehem (verse 6).

The wandering boy of Luke xv turned homeward when he thought of the bread in his father's house. It seems as if we should be ever telling to the perishing of the bread, and to spare, in our Father's house, for how can they hear unless some one tells? Naomi knew the land of Israel. These women of Moab must have learned of Him through her, and Ruth had learned to know Him well enough to forsake all for Him, to esteem Him more than her own people and her father's house. Orpah had not so learned to know Him. If our testimony is what it should be and our life He will use us to gather some to Himself. The devotion of Ruth in the ever memorable words of verses 16, 17, are in a measure repeated by Itai to David in II Sam. xv, 21. The words in verse 19, "So they two went," are found in II Kings ii, 2, 4, 6, 7, 8, 11, and there again we see a steadfast purpose on the part of Elisha which brought to him that which his soul desired. This is the steadfastness which we so greatly need (I Cor. xv, 58).

The friendliness and thoughtful kindness of Boaz in chapter ii are but a faint type of the loving kindness of our Lord Jesus, who can truly say, "I know thy works," etc. (ii, 11, 12; Rev. ii, 2, 9, 13, 19).

If, as His redeemed ones, we have not recognized many "handfuls of purpose" as we have gleaned in the part of the field He has assigned us, we must be blind indeed (chapter ii, 16). The words of Boaz in Ruth ii, 11, "Fear not, my daughter; I will do to thee all that thou requestest," made a great impression upon my wife, as we saw them in a motto in the Y. W. C. A. at Cape Town, South Africa, in 1898, and we have often passed them on to others since then. There is also much comfort in the words of Naomi in chapter iii, 18, "Sit still, my daughter, for the man will not be in rest until he have finished the thing this day."

In chapter iv Boaz as the kinsman redeemer, having the right to redeem and accomplishing the same, is wonderfully suggestive of our Redeemer, who not only redeems us, but also our inheritance, the earth, and seals us with the Holy Spirit, the earnest of our inheritance, until the redemption of the purchased possession (Eph. i, 13, 14). When Naomi became nurse for little Obed (chapter iv, 16, 21) she no doubt forgot in a measure the emptiness of chapter i, 21. Ruth also forgot the weary days of her poverty when she gleaned in the field of Boaz. So we shall forget all our misery and remember it as waters that pass away (Job 15, 16).

Let us be certain that we are redeemed by the precious blood of Jesus Christ and then patiently and unceasingly fill the place to which He has assigned us, rejoicing in the glory which shall be ours at His appearing.

## UNION TABERNACLE BAPTIST CHURCH.

Revival services are still in progress every night at the church. Rev. William M. Winfrey, of New Albany, Ind., will begin preaching Monday night. Come out and hear him. The pastor, Rev. William Z. Thomas, will preach a special sermon to the men Sunday afternoon. All men are invited to attend.

## JONES TABERNACLE.

It is the third quarterly conference and meetings for this conference year. Rev. R. P. Christian, P. E., of the Chicago District, will speak both morning and evening.

Rev. C. L. Howard, of the C. M. E. Church, will preach the communion sermon at 3 p. m. Each member will settle their claims as early as possible and not later than Sunday a. m. The pastor and his wife, Mrs. M. E. Rowan, wish, through this medium, to extend their sincere thanks for all that was said and done to make their fourth pastoral anniversary a success on the 31st of January, 1915.

## OLIVET BAPTIST CHURCH.

Pastor Rev. Charles W. Lewis and his people are rejoicing over unusual prosperity. One of the greatest revivals the community has known, has just been concluded, more so from a spiritual standpoint. A pleasing number professed conversion, a part of which will follow their Lord in baptism. Baptizing takes place Sunday, February 14, immediately after morning service. The attendance throughout the revival was marked with a steady increase. The services were under the leadership of the pastor, ably assisted by local ministers.

The finances of Olivet last year were much improved over past years and a much greater success is assured under the pastorate of Rev. C. W. Lewis, if present indications mean anything.

Monday evening, February 8, Professor Britt will render a sacred program. All cordially invited to hear him. He will be assisted by other local talent.

## CALL TO THE CHURCH.

Boys—Cavalryman, Suburbs:

Sister S. S. Fulton—Here I am. We have gained a church militant field. I am in Bethel church, Indianapolis, Ind. Bishop Parks has gained a field of church militant. Indiana is ready for war. Don't have to pull the trigger, the gun's already cocked. Sister S. S. Fulton, evangelist, leads. The Indiana boys want to know what Bishop Parks wants them to do. He answers back, that they must take hold of the gospel and plow deep. Rev. D. P. Roberts states that he bears nothing but God, and is climbing the mountain. Brothers H. C. Milliken, W. C. McKnight, Jno. Sanders, C. B. Rape, all stand flat-footed at the root of the tree, and are on their way with him up the mountain. Who are the watchmen in the church militant, Rev. T. A. Smythe, A. W. Shields, Elmer Donald, 4th chapter Timothy, 4-6 verses: And they shall turn away their ears from the truth, and shall be turned unto fables. But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry. For I am now ready to be offered, and the time of my departure is at hand.

## SONG.

Arm of the Lord, awake! awake!  
Put on thy strength—the nations shall quake!  
Now let the world, adoring, see  
Triumphs of mercy wrought by thee.  
Say to the heathen, from thy throne,  
"I am Jehovah, God alone!"  
Thy voice their idols shall confound,  
And cast their altars to the ground.

Let Zion's time of favor come:  
O bring the tribes of Israel home!  
Soon may our wondering eyes behold  
Gentiles and Jews in Jesus' fold!

Almighty God, thy grace proclaim  
Through every clime of every name!  
Let adverse powers before thee fall,  
And crown the Saviour Lord of all!

## TERRE HAUTE, IND.

I notice that 500 persons, including many news boys of Savannah, Ga., have joined the 1915 Christmas Campaign. At the rate of 10 cents per week they will have saved \$2,600 by Christmas time. If they keep this up for 5 years and do not spend any of their savings they will have \$13,000. During the next 5 years this money, put out at interest, will draw \$3,900, at 6 per cent. By that time another \$13,000 will have been paid in. At the end of 10 years they would have on hands \$29,900 to start business of any kind that would be worth while. Let us, here in Terre Haute, do likewise. The Terre Haute plan that has been suggested in the last two issues of the Recorder, by the writer, is attracting the attention of the people of our city. They are all talking about the plan and say it is a splendid plan. The Ministerial Alliance is going to discuss the plan at its next meeting, on next Monday. Rev. Irwin suggests that we call a meeting of all the citizens of our city who are really interested and effect an organization, elect officers and formulate plans for the payment of our monthly dues, and pay our money to our treasurer, who will give a bond for safe keeping of our funds. He also suggested that we start with 4 cents for the first week and add 2 cents each week for the 52 weeks, for those who can do so. Do you understand this plan? Let us give you an example. January, first week, 4 cents; second, 6 cents; third, 8 cents; and fourth, 10 cents; total, 28 cents. Continue in this way until Christmas, and each person will have saved \$26.96. In 5 years he will have saved \$131.80. At

this rate 50 persons would have \$6,740.00, and 100 persons would save \$13,480. I don't care which plan is taken. We notice in the Vincennes items of last week a very complimentary remark about our Christmas Savings Plan, from the pen of Mrs. Ruff, a very interesting writer of the Vincennes items. We hope that other leaders throughout the state will also interest their people in this great effort of saving money. Mrs. Annie F. Grimes, 729 south 6th street, subscribed for the Recorder this week. Mrs. Nellie Garrett and Mrs. Margurite Hatwood have their subscriptions to the Recorder this week. Several have professed and joined the church. Are people growing more indifferent about their religious duties and obligations? We have members right here in Terre Haute, in all the churches, who are very careless and indifferent about attending church. One member of one of our churches was asked, by a minister of another church, to visit his church. She replied, "I have not attended my own church for 2 years." I know members, and not a few of them either, who have not averaged attending church more than once during the quarter or more than 4 times a year. They come so little that people hardly know that they are members of any church. They are of no use spiritually or financially. Do not see how a professed Christian can stay away from church Sunday after Sunday, month after month and year after year and then say he is all right. I don't believe it. I think sin of omission is just as bad as sin of commission. These kind of so-called Christians are a curse to any church and are causing more sinners to go the downward way than any other class of people. The sinner will say, I am as good as he; I swear, he swears; I drink a dram whenever I want to; he does the same; I attend church when I feel like it; he does the same. Many will say in that day, "Lord have I not done great things for you? Have I not done wonderful things in thy name?" The Master will say, "Depart from me, I never knew you." If I did not attend church any better than many do I would not belong to church at all. I hold my church more sacred than any other thing on earth. On last Monday night the City Council passed the new boundary ordinance, against the veto of Mayor Roberts. Seven of the eight members of the council who were present voted in favor of the measure. More schools and teachers; an additional \$25,000 in taxes annually to the city. This will probably unite the Douglass school and Prof. F. F. Hamilton's school, one graded school, which we think ought to do. It would certainly be much better for teacher and child to be properly classified and graded. This will not probably be effective before next September. All the city schools were fumigated on last Saturday, to guard against any malignant disease that may come among the school children. The cold measles is probably the most widespread of all infectious diseases, at least in civilized countries. Measles is not necessarily fatal but many persons die from this disease because of poor treatment. The Free Baptist church has been very successful in its revival, which has been running since last meeting night. There have been 84 added to the church, 55 being candidates for baptism. Rev. McIntosh left here Tuesday for Indianapolis, to see his family. His wife and one little girl are sick. The young men who have come into the church desire to learn more about the Bible. Rev. McIntosh has promised to lead them in a Bible class. These same young men are doing good work in the Sunday school in class No. 7. They have succeeded in making their class the banner class. The Christian Endeavor is doing good work under Mr. Hill. All auxiliaries will resume work soon. Mrs. Calvin Edwards is sick at her home on south 12th. Mrs. Wesley Coleman, of east Spruce street, and Grandfather Aaron Roberts, of north 16th street, are on the sick list.

At the close of the sermon ten people came forward for prayer, and they were all converted before the close of the morning services. He delivered another sermon Sunday evening. At the close of the sermon five more came forward

## VINCENNES.

Is the Negro a dry weather Christian? It looks that way to me, for if it happens to be raining Sunday morning, when he gets out of bed, he dodges behind the rain for an excuse from not going to church. The church of God needs your presence at every service. Christians are light houses for the world, and the Almighty never intended that the rain or snow should come as a hindrance to any church member. You should be in your seat Sunday morning and night to welcome sinners and strangers who may come to visit your church. See to it that your seat is filled with your presence every Sunday from this on, rain, cold or hot. Your presence will give the pastor inspiration to preach better sermons, and your own life will be happier. The Black Herman Concert, given Thursday night, January 28th at the Bethel A. M. E. church, was a success. Prof. Brown and wife, principal of the colored schools in Princeton, Ind., passed through the city Saturday from Mitchell, Ind., enroute to their home in Princeton. They were called to Mitchell to attend the funeral of Mrs. Father. The Missionary Society of Bethel met Thursday night with Rev. and Mrs. L. W. Ratliffe. The Ladies Sewing Circle of Bethel met Thursday afternoon with Mr. and Mrs. C. S. Anderson on north 12th street. The benefit entertainment, given last Tuesday night, January 26th at the Secord Baptist church by Susie Hinkle, for Mr. Edmond, one of Vincennes young men who is dangerously ill at Terre Haute, was a financial success.
